TecNiqInc.com

TecNiq manufactures the highest quality, most technologically advanced LED lighting solutions in the industry. We believe that brighter, longer lasting LED products help keep our customers safe, and we stand behind every light we make with a Lifetime Warranty.

TecNiq lights are produced with **TecSeal**, our proprietary polyurethane potting material. TecSeal is developed to last longer and can withstand more extreme weather than competitors lights.

TecNiq is your premier **OEM Supplier** for LED lighting solutions. We take pride each and every day in our commitment to supporting the manufacturers that rely on us for their lighting needs. With technical support, account, and delivery information readily available, it's easy to see why so many companies are choosing TecNiq.

TecNiq is proud to offer a **No Haggle, Limited Lifetime Warranty** on all of our LED products. Take the worry out of your OEM experiences, and have piece of mind that TecNiq lights will light up time and time again, or we will replace them.

Light Duty Trailer
LED LIGHTING SOLUTIONS

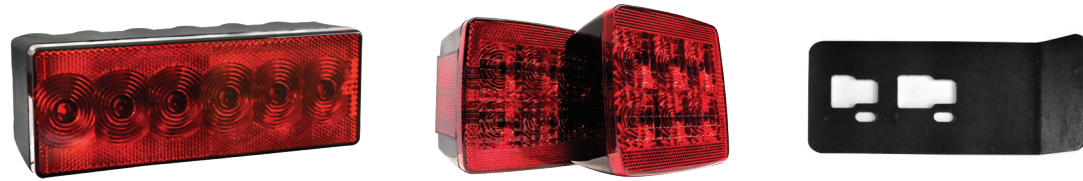

THE EVOLUTION OF TRAILER LIGHTING

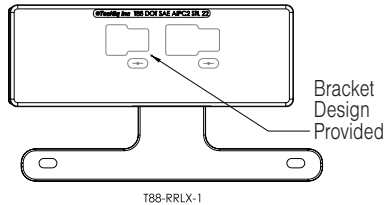

Tec

BOX LIGHTING

TecNiq is Setting Out to Change the Way Trailer Lighting Works for Manufacturers

TecNiq's **ALL NEW T88 & T89 TecLoq System** is an evolution in the trailer lighting industry. The TecLoq lights feature an all new, Patent Pending, locking interface with a bracket design that locks the box tail light into place with no fasteners necessary.

IMAGINE
Not having to pay for bolts, washers or more, on each trailer.

CONSIDER
Cutting labor costs to install Stop, Tail, Turn Lights for each trailer.

THE SWITCH
TecNiq will work to provide the tools your business needs to get started.

Smoked

LENSING OPTIONS

TecNiq's **New Smoked Lens lighting options** combine the great quality of TecNiq lights, with the darker, in style look of today's "Blacked-Out" trailers, trucks and more. Each of the lights chosen to be smoked, still passes DOT regulations, and provides the same world-class optics you have come to know with TecNiq. Lights available with Smoked Lensing are: **S17, S34, S90, T10, T14, T15, T67, T68, and T90.**
