TecNiqInc.com

TecNiq manufactures the highest quality, most technologically advanced LED lighting solutions in the industry. We believe that brighter, longer lasting LED products help keep our customers safe, and we stand behind every light we make with a Lifetime Warranty.

All TecNiq lights are produced with **TecSeal**, our proprietary polyurethane potting material. TecSeal is developed to last longer and can withstand more extreme weather than competitors lights.

TecNiq is your premier **OEM Supplier** for LED lighting solutions. We take pride each and every day in our commitment to supporting the manufacturers that rely on us for their lighting needs. With technical support, account, and delivery information readily available, it's easy to see why so many companies are choosing TecNiq.

TecNiq is proud to offer a No Haggle, Limited Lifetime Warranty on all of our LED products. Take the worry out of your OEM experiences, and have piece of mind that TecNiq lights will light up time and time again, or we will replace them.

LED LIGHTING SOLUTIONS

# THE STANDARD IN WORK TRUCK LIGHTING

When it comes to lighting up your truck there are lots of choices. But why waste time with lights that need to be replaced regularly? At TecNiq we specialize in DOT lighting that works time-and-time again. In addition, TecNiq carries a Lifetime Warranty on all DOT lighting.

Creating the most efficient and cost saving LED products available is at the heart of everything we do. TecNiq engineers continue to create new lens design methods, utilizing the highest quality materials available. We take great pride in knowing our products have set -

### The Standard in Work Truck Lighting.

In addition to our world class lighting, our "Customer for Life" motto helps us stay focused on remaining your trusted partner for all of your lighting needs today, and into the future. With custom LED solutions, forecasted part protection, and a commitment to the Work Truck Industry, it's easy to see why more companies are turning to TecNiq Inc.
