

TecNiq's BRAND NEW M511 is a Navigation/Docking/Courtesy light. Designed to give boaters an all-in-one solution for safety and coastal boating regulations. The M511 is a surface mounted light that provides 1750 lumens at the docking light position, while also providing a 100,000 hour lifespan. The M511 also provides a navigation light that is visible up to 2NM, meeting all NMMA and Coast Guard specs.

See www.TecNiqInc.com for more details and a complete list of part numbers.

M511

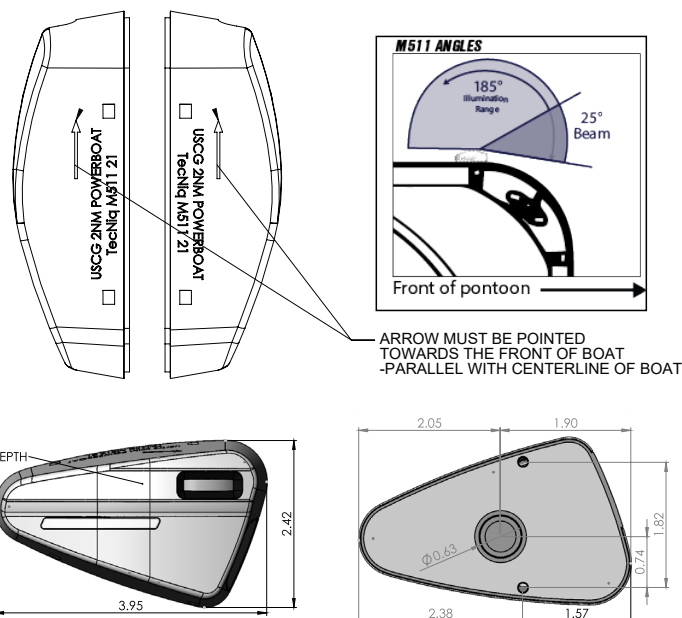

**NAVIGATION/DOCKING
COURTESY LIGHTS**
